Message about your 2008 Form 1040

You didn't file a Form 1040 tax return

Our records show that you haven't filed your tax return for the tax year tending December 31, 2005. We sent you a previous notice informing you of this, but the notice may have been returned as undelivered or could not be mailed by the United States Postal Service (USPS).

What you need to do immediately

If you agree that you still need to file your 2008 tax return

- Complete and sign your return, include a payment for any tax due, and mail it to us using the envelope provided.
- If you can't pay the amount due, pay as much as you can now and make payment arrangements that allow you to pay off the rest over time. Visit www.irs.gov and search for keyword: "tax payment options" for more information about:
 - Installment and payment agreements—download required forms or save time and money by applying online if you qualify
 - Automatic payment deductions from your bank account
 - Payroll deductions
 - Credit card payments

Or, call us at [Redacted] to discuss your options.

- If you are owed a refund, you must file a return by April 17, 2009, or 2 years from the date the tax was paid, whichever is later.

If you think we've made an error

Complete the Response form to explain whether you've already filed a return, or why you think you don't have to file one. Mail your completed Response form to us using the enclosed envelope.

If we don't hear from you

We may determine your tax for you, and penalty and interest may continue to accrue.

If you are owed a refund for the current tax year, or any prior year, it may be delayed because of this unfiled return.

About your return

Our records show you have a previous year credit balance of \$999.99. Please indicate on the enclosed Response form whether you want us to apply the credit to another tax year or you would like a refund.
